

Apply to Moderne Passport

The Moderne Passport Program positions companies for growth.

The Moderne Passport is a six-month industry immersion program that helps companies refine and execute their go-to-market strategies, connect with Members of the Moderne Network™ - over 700 corporations and executives from market leading companies- and provides mentorship, pilot opportunities and even investment and acquisition potential for participants.

The Passport Program started in 2016. Since then, the Passport Program has seen:

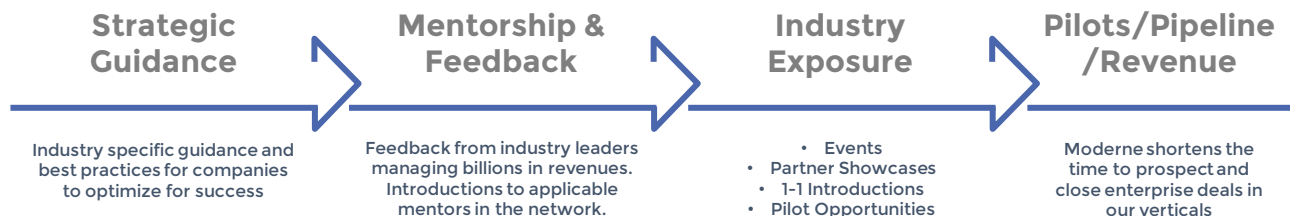

137+ Companies Participate

100+ Pilots

1400+ Mentor Meetings (Virtual & In-Person)

8+ Unicorns

How does the program work?

Who should apply?

Target Markets: Applicability in Moderne's core sectors and can expand beyond into other verticals particularly within the Real Estate industry

Revenues: \$1M- \$30M+

Customers: Active pilots to fully established companies, with logos to prove it

Financing: Seed stage and up - most of our companies have top tier investors already backing them

Product: Beyond beta and built to scale on a national or global capacity

Business Models: We like disruptive SaaS-based technologies in digital media, fintech, business services and big data, and we particularly like companies with B2B strategies.

Team: We suggest at least 2-3 active team members from the executive leadership team (CEO, COO)
